Thank you for your interest in our company. We are very excited to begin offering our concept as a franchise. Taverna Opa ® is seeking motivated individuals who would like to join this festive family of restaurants. We pride ourselves on casual dining with great service, great food and lots of fun.

The enclosed brochure explains our program and many advantages it offers to qualified individuals. After reviewing this material, I think you'll agree that the Taverna Opa franchise program offers an outstanding opportunity to build your own business.

As no brochure can answer all of your questions, I'll be happy to discuss the program with you in greater detail. Feel free to contact me at the above number. Of course, there is no obligation.

If you are interested in moving more quickly, you can fill out the enclosed paperwork and return it to me. Once we receive it, we will contact you to discuss your exciting opportunity and expectations as a potential Taverna Opa franchisee. We will also set-up a schedule for further communications, including phone calls and mailings. Additionally, you will receive our FDD (Franchise Disclosure Document), which discloses, in detail, our company and our franchise program.

I look forward to hearing from you soon.

Sincerely,
Taverna Opa Franchise, LLC

LeAnn Cunningham
Director of Franchising
